OPE ID: 00750700
PRCN: 200340222195

Dear Mr. McCullough:

The U.S. Department of Education's (Department's) School Participation Team – New York/Boston issued a program review report on December 5, 2003 covering Gibbs College's administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs), for the 2001/2002 and 2002/2003 award years. The institution's final response was received on November 2, 2005.

The School Participation Team – New York/Boston has reviewed Gibbs College's responses to the Program Review Report. A copy of the program review report (and related attachments) and Gibbs College's responses are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by Gibbs College upon request. Additionally, this Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

Although the findings in the program review report identified serious concerns, this office has made a decision to close the review based on the length of time that has passed since the examination of those records, and the institution's subsequent closure on 12/8/2009.

As a result, Gibbs College may consider the program review closed with no further action required.

If you have any questions please call Nancy Rosario-Velez at (646) 428-3752.

Sincerely,

(b)(6); (b)(7)(C)
